This article [Neurophotonics 8(1), 015001 (2021) doi: https://doi.org/10.1117/1.NPh.8.1.015001] was originally published on 11 July 2021 with an error in Equation 1. The equation should have had negatives in both of the exponent expressions [i.e., \( \exp(-Kr_1) \) and \( \exp(-Kr_2) \)]. The negatives were added to the exponent expressions to correct the equation and the article was republished on 4 February 2022.
