This article [*J. Astron. Telesc. Instrum. Syst.* **4**(4), 046003 (2018), doi: [10.1117/1.JATIS.4.4.046003](https://doi.org/10.1117/1.JATIS.4.4.046003)] was originally published with an error in an equation.

Equation 1 originally appeared as

$$J(x, y) = \frac{1}{2\pi\sigma} I_{\text{total}} \cdot e^{\left[-\frac{1}{2\sigma^2}(x^2+y^2)\right]} \quad (1)$$

The equation has been corrected to

$$J(x, y) = \frac{1}{2\pi\sigma^2} I_{\text{total}} \cdot e^{\left[-\frac{1}{2\sigma^2}(x^2+y^2)\right]} \quad (1)$$

All online versions of the article were corrected on 15 November 2018. The article appears correctly in print.
